After the phenomenal success of January's Red Hot Summer tour throughout regional Victoria, South Australia and New South Wales, the best in the Australian music industry are again joining forces for a two last shows before the tour draws to a close. Back by popular demand, the tour will see three legends of the Australian music scene join together for a special Easter Saturday show, and then return for their last gig in May, just before winter hits.

The January shows saw thousands of punters flock to the outdoor summer events which featured legendary rocker Jimmy Barnes as headliner, with special guests Noiseworks and Thirsty Merc. The Red Hot Summer Tour is fast becoming the concert experience not to be missed.

Jimmy Barnes released his sixteenth solo album last year, *Rage and Ruin*, and album that has taken him back to his roots and provided some of his finest work to date. His live shows just keep getting better, showcasing new material as well as all of the hits from his magnificent solo and Cold Chisel careers.

In a massive coup for the tour, Australian rock icons **Noiseworks** will grace the stage and get the party started. With a huge set of hits including 'Take me Back', 'Touch' and 'Hot Chilli Woman', fans will be treated to Aussie Rock at its best.

Contemporary music enthusiasts have not been forgotten with crowd favorites **Thirsty Merc** playing all of their hits along with songs from their highly acclaimed new album 'Mousetrap Heart'. Thirsty Merc's live shows are something not to be missed!
