

**LEE KERNAGHAN ANNOUNCES MORE DATES
THE PUBS, CLUBS & CARPARKS AUSTRALIAN TOUR 2011**

Australia's favourite country music star, Lee Kernaghan, continues his 2011 tour with a string of new tour dates just announced. Lee will be bringing his *Pubs Clubs & Carparks Tour* to select venues around Australia.

This tour is a chance for Lee to not only play to audiences in some regional areas, but to also take his tour to those areas which sometimes get missed off of the standard touring route. The *Pubs Clubs & Carparks Tour* follows Lee's highly successful sell-out *Planet Country* tour and will see him visit areas that weren't included on the 2010 tour.

Lee will light up the night with what many critics call the most exciting live show in Australia.

Children under 13 will be admitted free at the outdoor events. "I want this to be a great event for families," Lee said. "I look forward to playing to a certified crowd and for them to enjoy some of our best new stars of country with my guests who will be travelling with me on the tour. All of them are so talented and are making exciting new country music".

"The whole idea of this *Pubs Clubs & Carparks Tour* is to break the normal cycle of touring and take our show into unusual locations that are not a part of the regular touring circuit or places we have not visited in a long time," Lee added.

Lee has also announced on his Facebook page that he is putting together his *ULTIMATE HITS* double CD set for an October release. Lee has been asking fans via Facebook what songs they would like to see on this historic release that will cover his entire career.

There is a rumour that a unique opportunity for fans to be personally included in the release of the *Ultimate Hits* package is in work. Lee will be announcing this special opportunity on his Facebook at the end of May. www.facebook.com/leekernaghanfans
