**SUNDAY 27<sup>TH</sup> NOVEMBER 2011**

Christine Anu is back on song!

After two years touring in the hit musical *The Sapphires* and the play *Rainbows End*, Christine Anu returns to Melbourne with one special performance at Bennetts Lane on Sunday, 27th November.

Christine will perform her signature tunes including '*Island Home*', '*Sunshine on a Rainy Day*', '*Party*' and '*Coz I'm Free*', along with crowd favorites from her acclaimed concept show *Ladies of Jazz*. Anu will also share anecdotes from a career spanning nearly 20 years in the Australian Entertainment Industry.

Christine is arguably Australia's most successful indigenous performer and one of Australia's most popular recording artists, backed by an award-winning repertoire spanning across music, theatre, dance, film, television and children's entertainment.

Her illustrious career over two decades boasts of platinum albums, sell-out musicals, Hollywood blockbusters, and high-profiled collaborations with showbiz and musical luminaries such as Baz Luhrmann (*Moulin Rouge*), Paul Kelly and David Atkins.

Christine also pulled out all the stops with the formation of *Stylin Up Entertainment*, a collective focused on developing and producing new media brands that are proudly Australian. This spawned a new genre of children's entertainment branded as *Chrissy's Island Family*, adding another ARIA nomination to her many awards she has received over her career. *Stylin Up Entertainment* is also home to *Ladies of Jazz*, *Women of Soul* and *Mura Wakay*.
